WHO ARE WE

We are a registered charitable not for profit society, and licensed childcare organization that has been offering programs and services to meet individual childcare needs since 1971.

ADMINISTRATION

Alberni Valley Childcare Society is a not for profit organization managed by a volunteer Board of Directors from our community. All members have an interest in quality childcare and devote many hours, as well as their own personal skills to ensure that children attending receive the best possible care. The directors meet monthly and the Administrators and Managers attend meetings to consult with and advise the board.

Parents are one of our greatest resources. We welcome and encourage you to take an active role in your child's care. Each registered family is entitled to be a voting member of the society and may participate on the Board of Directors.

OUR PHILOSOPHY

We believe that children learn through play. By providing a variety of learning centers and activities for your child to participate in and explore, we are promoting learning through play and interaction with others. Play is the foundation of learning for young children.

OUR GOAL

Our goal is to provide care, support and activities to develop each child's individual

STAFF

All staff employed by the Alberni Valley Childcare Society meet hiring standards as set out by Community Care Facilities Licensing. Alberni Valley Childcare Society supports and promotes the hiring of fully qualified Early Childhood Care and Education professionals, and encourages all employees to continually update their skills and abilities through annual professional development opportunities.

OUR PROGRAMS

Each program is designed to meet the individual needs of the age group that attends. With flexible hours and drop in care we are sure to meet your individual child care needs.

Our Infant and Toddler Programs

focuses on individual care and attention. Each child enrolled in our Baby Steps Programs is treated individually and given opportunities to grow and explore in a safe and secure environment. Providing a nurturing and caring program is our priority.

Our Preschool and Daycare Programs

provide ongoing opportunities to play with other children, sing songs, listen to stories and play games and participate in ongoing learning opportunities. Children are able to explore places in the community through field-trips, build friendships, practice peer interactions and build social skills.

Our Before & After School Care Programs

are designed so that children can assert their skills and abilities in an independent manner and choose between a variety of informal and planned recreational and creative activities. independence and personal growth.

Our school age children are provided with opportunities in an environment that supports their independence, yet is a safe and social arena that can meet each child's individual needs.

TRANSPORTATION

Transportation may be provided to and from your child's local school or to and from home by fully qualified drivers in a school bus owned by Alberni Valley Childcare Society.

Priority is given to our families without a vehicle. Family needs are assessed on an individual basis. Please speak with the program manager to discuss your needs.

LUNCHES and SNACKS

Parents are responsible to send a nutritious lunch if their child is attending for a full day or half day over the lunch hour. When your child attends any of our programs, a nutritious morning and afternoon snack is provided by the center.
